197. Resolved O.D. No. 286, Marine, dated the 16th October 1914, deciding to support the proposals of the Board to give certain quarters, or a temporary shed otherwise in lieu of quarters, to the Deputy Conservator of the Port, and intimating that proposals to build quarters for that officer had better be agreed on grounds unconnected with the question of his emoluments.

198. Read a letter No. G.M.T. 11/8/14, dated the 18th October 1914, from Messrs. Shaw, Wallace & Co. Agents, the Madras Oil Company, Limited, asking for certain revisions or modifications in the terms of their lease, which expires on the 31st August 1915.

199. Read note by the Traffic Manager supported by the Chairman on the reduction of revenue expenditure because of the falling off of cargo, due to war conditions.

Resolved that, as recommended by the Traffic Manager, a month's notice of termination of their contracts be given to fourteen shippers.

The wind, rain and general weather registered are for the current (24) days—from midnight to midnight.
